Windy

SPIRIT OF SCANDINAVIA

THE WINDY SR 40

The Windy SR40 blends Scandinavian design, offshore performance, and everyday versatility into a refined and capable sports boat. Desined in collaboration with renowned yacht designer Espen Øino, the SR40 reflects Windy's commitment to purposeful design, exceptional engineering, and confidence at sea.

With elegant lines, a seaworthy hull, and a thoughtfully arranged deck layout, the SR40 delivers both exhilarating performance and relaxed comfort on board. The spacious cockpit creates a natural social hub, while the helm offers the precise control and visibility that experienced boaters expect from a Windy.

Equally suited for high-speed pasages, weekend escapes, or relaxed days with family and friends, the SR40 is designed to make every journey effortless. Built with the craftsmanship and attention to detail that define Windy, it offers a boating experience where performance, comfort, and style come together seamlessly.

SR 40 OUTBOARD

OVERVIEW

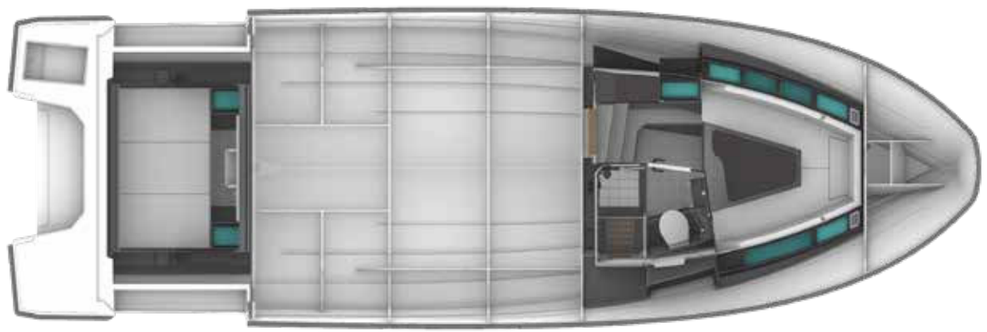
LENGTH	13.05M
BEAM	4.00M
DRAFT	1.12M
LIGHTSHIP	10.4T*
TOP SPEED	52KN*
CRUISING SPEED	40KN*
FUEL CAPACITY	1030L
FRESH WATER CAPACITY	200L
BLACK WATER CAPACITY	100L
RANGE	180NM**
CE	B

NAVAL ARCHITECT	Espen Øino International
EXTERIOR DESIGN	Espen Øino International
INTERIOR DESIGN	Design Unlimited & Windy Design

ENGINE OPTIONS

3 x Mercury V10-400
2 x Mercury V12-600

*Subject to selected options, load case, sea state and hull conditions.
**Subject to engine option, size of fuel tank.



PERFORMANCE TEST - 2 x Mercury V12-600

Revs	Knots	L/h	L/nm
1000	4,7	16,0	3,4
1500	6,6	23,0	3,5
2000	8,2	36,3	4,4
2500	9,3	61,0	6,6
3000	15,6	120,0	7,7
3500	23,5	154,0	6,6

DESIGNED IN DETAIL

Every detail of the Windy SR40 has been carefully engineered to enhance life on board. At the helm, Windy's legendary ergonomics provide superb control and visibility, while large sliding side doors offer excellent protection from wind and spray when needed.

Open the doors, fold down the bulwarks, and the cockpit transforms into an expansive social space - perfect for entertaining or relaxing close to the water. Thoughtful deck solutions, generous seating, and versatile sun areas make the SR40 as enjoyable at anchor as it is underway.

In 2026, the SR40 was awarded the prestigious European Powerboat of the Year, recognising its outstanding design, performance, and all-round capability. The award highlights the sucessful collaboration between designer Espen Øino and the Windy design and engineering team led by Jack Fenlon.

"Protected when you want it. Open when you need it. Lower the bulwarks - and the SR40 becomes your own floating island."

Espen Øino – Designer and SR40 Owner

MOMENTS THAT MATTER

Windy

SPIRIT OF SCANDINAVIA

MADE FOR LIFE TOGETHER

Life on board the Windy SR40 is made for moments that matter. Generous social spaces bring everyone together, while quieter corners offer room to unwind.

High bulwarks create a reassuring sese of safety for all on board, so you can move freely and relax with confidence.

Beneath the aft sunbed, a cleverly designed cabin - inspired by classic camper vans - offers a private hideaway for rest or retreat. It’s a boat that makes family time at sea feel natural, comfortable, and effortlessly enjoyable.

SCANDINAVIAN EXCELLENCE SINCE **1966**

Located on Sweden’s beautiful east coast, on the Baltic Sea, the Windy shipyard is where modern capability meets Scandinavian precision. Here, every boat is crafted in an environment designed for advanced engineering, meticulous craftsmanship, and uncompromising attention to detail.

Each stage - from structural construction to the final finish - is executed with consistency, attention, and care. The result is a level of quality you can rely on, season after season.

For six decades, Windy has built boats with one purpose: to give you absolute confidence at sea. More than 12,000 boats delivered stand as proof of that commitment, forming the foundation of a brand trusted by captains, chosen by professionals, and admired by those who value true performance and reliability.

Developed in collaboration with world-leading designers, naval architects, and master craftsmen, every Windy boat reflects a balance of engineering excellence and timeless Scandinavian design.

This is where your boat is built - in Sweden - by specialists who understand what it takes to perform when it matters most.
